「前巻」から所々敗北をさらし、キが通う。そんなう。Synchronicity, or meaningful coincidences are laws that can either destroy the world or create a new one on a blink of an eye. Hanma Yuujiro: Baki's old man, he can kill you with one finger while reading a magazine, smoking a cigarette and eating a hot dog at the same time.

Shibukawa Gonki: Still fighting at 70 years old. He knows how to make you taste the floor and play with you like a yo-yo with his incredible Judo-ka abilities.

The cannon fodder: Yes kids, even in this series you find losers like everywhere else, kinda like those straight guys that like yaoi only to score on chicks

Mysterious shadow: Not even I know who this guy could be, so let's keep him mysterious but if you can't figure it out by now who he is, you are not a baki fan!!!

Orochi Kasumi: Yeah he is so strong, yeah he is so cute, well the ladies have to have a cute boy token once in a while, for the newcomers he is the adopted son of Doppo.

Retsu Kaloh The favorite chinese kempo guy is back, and this time is taking a better role, Tekken 5 can't deny they stole the character, damn namco not doing the Baki games.
